

INSTRUCTIONS

- ★ Complete your Day Out/Week Out process and/or recall list.
- ★ Place a sticker (provided by your Area Manager) on each badge as you complete it.

WEEKLY CHECK-IN

Turn in your completed turndown forms to your Area Manager and Growth Director **every Friday**.

At the end of Camp Mammo, return your completed badge book to your **Area Manager and Growth Director** to be entered into the raffles.

Every badge you earn represents another opportunity to provide a patient with access to care and the chance for **early detection**.

Complete first Day Out Week Out list/Review provider schedules for due patient

Schedule 10 mammograms from outreach efforts

Teach another teammate the DOWO process/Share a best practice

Complete 100 recall patient contacts

Schedule 5 same-day or next-day add-on

Identify and schedule patients who otherwise would have been missed

Completing outreach to every patient on assigned list

Scheduling 25 mammograms during Camp Mammo

Motivating teammates and sharing success stories

Going above and beyond to help patients receive recommended screening
