

# AIDET Quick Reference

SIMPLE STEPS. MEANINGFUL IMPACT.

**A**

## Acknowledge

Smile. Make eye contact.  
Greet the patient.

**I**

## Introduce

"I'm [Name],  
your [Role] today."

**D**

## Duration

Set expectations:  
• Exam time  
• When results will  
be available

**E**

## Explanation

Explain what will happen  
and why it matters. Keep  
it simple and reassuring.

**T**

## Thank You

"Thank you for coming in—  
this is an important step  
for your health."

## WHY IT MATTERS:

Every patient interaction  
influences whether a woman:

- ✓ Returns next year
- ✓ Completes her screening
- ✓ Encourages someone  
else to get screened

That is how we help  
**save lives.**

## WHAT GREAT LOOKS LIKE:

**Warm &  
welcoming**

**Clear & easy  
to understand**

**Calm &  
confident**

**Remember: This is not a script.**  
It's how we ensure every patient feels  
informed, supported and cared for.
